Interesting Notes From Various Points.

## Honor Grant's Memory.

New York, April 27.—In many of the country this afternoon evening representative Republic will gather to do honor to the memory of General Grant. Seventy years ago today he who was fated to become twice president of the United States, and among the best of its generals, was born in the farm house at Point Pleasant, Clearmont county, Ohio. A month after his death, in 1885, a number of his friends came together and decided to annually celebrate his birthday with a view, not only of keeping his memory alive, but of fostering the spirit of patriotism. The suggestion rapidly gained, and today the number of celebrations arranged for is largely in excess of that of last year, and they are in a measure across the country.

## Celebrated at Galena.

Galena, Ill., April 27.—The old citizens of Galena pay appropriate tribute today to the anniversary of the birth of the late General Grant. In no part of the United States is each recurring anniversary marked by more spontaneous enthusiasm and tokens of respect. Business was generally suspended, and there was a parade of citizens, the municipal departments, secret and patriotic societies, the G. A. R. from neighboring towns. The formal exercises were held in Grant Park, which was decorated a year ago today by Gov. McKinley. The oration was delivered by Hon. Luther L. Smith, Chicago.

## A Philadelphia Banquet.

Philadelphia, April 27.—General Grant's birthday will be celebrated this evening by a banquet of prominent Republicans from all parts of the state at the Union League. Ex-Governor Beaver will preside. Distinguished party arrived here this morning as guests of the Union League. It included Senator Gordon, of Nebraska; Gen. Hoffman and Gen. Sickles; Rear Admiral Gherardi, Gen. John B. Sanborn, and Editor St. Clair Mearns, of the Brooklyn Eagle. The principal orators will be Mr. W. B. Allison, of Iowa; Speaker Thomas B. Reed, and J. C. Burroughs, of Michigan.

## The American League.

Pittsburg, Pa., April 27.—The banquet of the American Republican League at the Monongahela Hotel this evening in honor of the anniversary of General Grant's birth will be a brilliant affair. The club rooms have been elaborately decorated, and a life-sized portrait of the great American rests under a canopy surrounded by flowers. The principal orators will be Mr. W. B. Allison, of Iowa; Speaker Thomas B. Reed, and J. C. Burroughs, of Michigan.

## Young Garfield to Speak.

Chicago, April 27.—James R. Garfield, son of the late President, will tonight pay tribute to General Grant at the birthday anniversary celebration to be held at the Grand Pacific under the auspices of the Marquette Club. Ex-Governor Shelby and other old-time Republicans will also deliver addresses.

ECULIAR in combination, proportion and preparation of ingredients, Hood's Sarsaparilla possesses great value. You should TRY IT.

## Moore and Creedon Match.

Minneapolis, Minn., April 27.—A number of patrons of pugilistic sport arrived on the early trains this morning in anticipation of a rattling mill at the Twin City Athletic club tonight, when Dick Moore, the St. Paul middleweight, and Dan Creedon will come together for a twenty round go. More than usual interest is manifested in the event owing to the falling through of the effort to bring Creedon and Fitzsimmons together for a \$72,000 purse. Fitzsimmons refused to sign the articles on the ground that he wanted a purse of \$15,000 and an absolute guarantee of protection. If Moore should win tonight he will claim the middleweight championship of America and challenge Fitzsimmons for the championship of the world. He has been training hard, and will go into the ring at about 153 pounds.

## Celebrating Arbor Day.

Chicago, April 27.—Dispatches received here today from Wisconsin, Ohio, Pennsylvania and New Jersey say that in all of these states Arbor day is being very generally observed in accordance with the proclamations of the various chief magistrates. In Ohio, Governor McKinley's proclamation urged that the children should be taught the importance of trees and tree culture as bearing upon material prosperity, and should be encouraged to study the beauties of flowers and plants in fields and gardens. In Wisconsin Governor Peck issued a florid address deploring the destruction of the forests, and declaring that upon the children depended the future forest interests of the state.

## An Anarchist in Court.

Paris, April 27.—The court of assizes was crowded today when Emil Henry, the anarchist, who caused the explosion of a bomb in the cafe of the Hotel Termini in February last, was arraigned for trial. Extraordinary precautions were manifested in admitting spectators. The prisoner will plead justification.

## Frozen—Then on Fire!

Take the application of ice to the smaller of your back, is the sensation produced by the chill that precedes the fever of malaria. Then comes the roasting stage, when every vein throbs and is scorched as if with liquid fire. Then you well nigh dissolve in exhausting perspiration that leaves you as limp as a wet dish rag. These alternating torments are not remediable permanently with quinine, which is moreover, a most damaging cumulative poison. Hostetter's Stomach Bitters drives out the foe and repels its further attacks. It is the leading medicinal safeguard against malaria all over the continent of North and South America. Guatemala, the Isthmus of Panama, Mexico and Australia. It regulates the liver, stomach, bowels and kidneys, enriches the blood, and promotes appetite, sleep and digestion. It is not only a medicine, but a effective cordial, welcome to the most delicate palate. Rheumatic tendency is counteracted by it.

**AYER'S SARSAPARILLA**

M. Hammerly, a well-known business man of Hillsboro, Va., sends this testimony to the merits of Ayer's Sarsaparilla: "Several years ago, I hurt my leg, the injury leaving a sore which led to erysipelas. My sufferings were extreme, my leg from the knee to the ankle, being a solid sore, which began to extend to other parts of the body. After trying various remedies, I began taking Ayer's Sarsaparilla, and before I had finished the first bottle, I experienced great relief; the second bottle effected a complete cure."
